

Enrolment to the University

Dear candidate,

If you have decided to take up studies at AGH University of Science and Technology we would like to congratulate you on your choice! You have chosen a modern university and one of the most beautiful cities in the world. This combination guarantees an unforgettable experience.

Here you can find information on welfare benefits , a possibility of accommodation, scholarships, and other necessary information. If this is not enough for you, you can contact the Department of Education and/or Department of International Relations at any time.

If you want to study at AGH-UST in English or take part in the short-term Exchange Programme (e.g. LLP Erasmus, CEEPUS, etc.) please contact with Department of International Relations.

If you want to study at AGH-UST in Polish please contact with Department of Education .

If you have not made up your mind as to the choice of the university where you would like to study, check it why it is worthwhile to study at AGH-UST .

Have a good surf!
