LEADER OF INNOVATION

The AGH University of Science and Technology in Krakow takes active part in building a society based on knowledge, while taking advantage of modern technologies for the purpose of economic growth and development.

The university was established in 1913, and opened in 1919.

THE BEST POLISH TECHNICAL UNIVERSITY IN INTERNATIONAL RANKINGS

AGH UST is the only technical university in Poland with a top position in the ranking ARWU World Top 500 Candidates, which presents universities that in the near future have a chance to be listed in the so-called "Shanghai Ranking".

KRAKOW IS ONE OF THE MOST BEAUTIFUL EUROPEAN CITIES

The AGH UST Campus is located in the centre of Krakow, and within its boundaries there is the largest in Poland – AGH UST Student Campus. Modern buildings, an open-air gallery of sculptures and rocks, installations and exhibits connected with the research activity of faculties, objects of street furniture, and green areas in unique arrangements – all of them extremely beautiful and fascinating.

The university campus is an area of

38

hectares

16
faculties

800
laboratories

2,000
scientists and
reaserchers

30,000
students

200,000
graduates

"When so many different personalities and passions interpenetrate one another, eventually it must lead to an explosion and the development of a brilliant idea!"

EDUCATIONAL OFFER

The educational offer encompasses over 60 fields of study, including 200 specialisations. The university also offers doctoral studies in 24 scientific disciplines, and over 100 postgraduate courses. Education in English is offered in 17 fields of study.

92%

of graduates take up a job within six months after graduating from the university, or they continue to further their studies

WE ARE ALL CONNECTED BY AGH UST!

IN THE SCIENTIFIC ELITE

3 faculties among the best units in Poland

IN THE HEART OF EUROPE
